Campsite Team

- Do you enjoy working with a team, rolling up your sleeves together to create something awesome?
- Do you get a kick out of seeing a plan on paper come to life?

THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The RACV Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community and becoming part of the team while exploring the beautiful Victorian countryside.

WHAT YOU'LL GET UP TO

As part of the Campsite team you will be ensuring all of the Great Vic community have a safe place to live for the night. You'll be setting up a site that's easy to get around and a joy to camp on. In the mornings you also be helping the team to pack down equipment quickly to move forward and set up the next. You will be following site plans and working as a team to get the job done.

On a daily basis you will be:

- Installing and removing signage and equipment including bunting, flags and star pickets
- Painting lines to show walking paths and camping zones
- Following pre-planned campsite maps to locate equipment
- Packing down equipment and sites in preparation for the move to our next site
