Catering Equipment Team

- Do like working with a range of different of people in an energetic team environment?
- Are you a creative thinker and get a kick out of implementing new ideas?

THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community and becoming part of the team while exploring the beautiful Victorian countryside.

WHAT YOU'LL GET UP TO

As part of the Catering Equipment team you will be providing the riders with self-service facilities so that they can wash the dishes and do the laundry, it's not you doing theirs! You'll be ensuring the riders are camping in style with their creature comforts provided – readily available tea and coffee, and dishwashing and clothes washing facilities!
On a daily basis you will be:

- Making sure the tea and coffee facilities are clean and well stocked
- Setting up and packing down the washing facilities (connecting hoses and power)
- Educating riders on how to use the equipment correctly
- Working in teams to tow trailers from site to site

FINER DETAILS
