

## Volunteer Support Team

- Are you an enthusiastic people person, with a natural talent to support people?
- Do you love organising fun activities for other people to enjoy?

### THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community and becoming part of the team while exploring the beautiful Victorian countryside.

### WHAT YOU'LL GET UP TO

As part of the Volunteer Support team you will be creating an inviting area for volunteers to meet and relax during their time off. You will be there to provide a helping hand to all volunteers, keeping them informed of what is going on and organising fun activities for them to enjoy during their down time.

On a daily basis you will be:

- Talking to volunteers to keep them informed of events and activities and answering any questions that they might have
- Assisting with volunteer check-in on the first day
- Manning the Volunteer Support Area where volunteers can come to read the paper, enjoy a coffee and have a chat
- Organising and running fun activities for volunteers
- Ensuring that all volunteers board the correct transport each day
