WARBY Team

- Are you a keen cyclist with sound basic mechanical knowledge and able to ride up 90km a day?
- Are you a talented communicator who works well under pressure and passionate about creating a safe and fun environment?

THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community and becoming part of the team while exploring the beautiful Victorian countryside.

- Riding the whole rider route.
