

## Riding Volunteers

- Do you want to ride the Great Vic, but help in your spare time?
- Do you want to be part of the team that helps the event continue to be a success?

### THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community and becoming part of the team while exploring the beautiful Victorian countryside.

### THE BASICS OF RIDING VOLUNTEERS

First and foremost, a Riding Volunteer (RV) is a rider – they purchase an event entry and then come event time, they head out each day and enjoy the on-road experience! However, they also volunteer 4-5 hours each day either before or after their riding. In return, RVs are eligible to receive up to a 30% refund on their entry price. In addition to purchasing an entry, RVs must complete the volunteer application in the Portal. You cannot register on event. All RV opportunities are for 9 days only.

### THE FINER DETAILS

Correct bank details must be provided before the event. While on the event, your Team leader will assess each RV on their team work and behaviour. If there are any issues that will affect an RV's refund, this will be discussed on event. Key things that Team Leaders look for are whether you turn up on time, are open to working with your team, following their direction, and can perform the tasks assigned to you.

After the event, your refund will be processed as soon as your Team Leader provides the above feedback. We attempt to process all refunds by the end of December, however if we have incorrect bank or contact details this may delay payment.

### IS IT RIGHT FOR YOU?

- Do you hold/are you willing to obtain a volunteer Working with Children Check?
- Are you able to follow directions from the team leader?
- Do you feel confident you'd be able to commit to shifts in addition to riding?
