

MESSAGE FROM THE LORD MAYOR OF MELBOURNE

Pump those tyres, put your helmets on and get ready to Ride2Work!

Australia's biggest commuter cycling celebration, the annual National Ride2Work Day, brings together bike lovers in a day of fun and fitness.

If you've never ridden to work before, this is the perfect way to give it a go. Or if you're a regular rider like me, encourage your colleagues to get involved.

The City Of Melbourne is proud to support this event. Our vision is to become a cycling city, with a connected bicycle network and improved links to existing routes – all to make cycling more accessible for people of all ages and abilities.

Ride2Work day is a wonderful way to get outside, get moving and have some fun along the way. We hope you have a great and safe, ride to work.

Sally Capp
Lord Mayor
