

TRAM TRACK RENEWALS

Holmes Street works – bicycle diversion routes

Public Transport Victoria (PTV) in partnership with Yarra Trams will be undertaking tram track and overhead renewals work on Holmes Street, Brunswick between Blyth Street and Moreland Road. From 10pm Friday 22 February to 5am Tuesday 26 February 2019, there will be detours to the bicycle traffic using the East Brunswick shimmy between Stewart Street and Albion Street.

To assist your journey, temporary wayfinding signage will be installed along the detour route as per the map below. For safety, riders are reminded to dismount their bicycle where required by law or if directed to do so by traffic controllers. Please note that there will be concurrent tram works on Nicholson Street, Coburg from 22 February to 8 March 2019 which may affect your onward journey. Visit yarratrams.com.au for more information.
