

GREAT VIC BIKE RIDE

Catering Team

- Are you an enthusiastic people person, always ready with a smile?
- Do you enjoy working in a fast-paced, team environment?

THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community to help pull off an extraordinary event, all while exploring the beautiful Victorian countryside.

WHAT YOU'LL GET UP TO

As part of the catering team you will be responsible for serving the riders their meals each day – this will include a breakfast shift, and a dinner shift. The team is much more than just the operation though; it's also about creating a fun and friendly atmosphere where the Great Vic community can enjoy their meals. You are providing the riders with the energy to keep going!

On a daily basis you will be:

- Serving up meals to the riders (you won't be required to do any cooking!)
- Maintaining a clear and hygienic service area
- Assisting in setting up and packing down the serving area
- Assisting in the cleaning and scraping of storage boxes
- Occasionally scanning passports and directing people to serving bays
- Lugging boxes between front and back of house (optional)

FINER DETAILS

Dates: 22 November – 1 December

Indicative hours: You'll have a split shift, assisting with both breakfast and dinner. Most days will be approximately 5.45am – 8.15am and 4.30pm – 8.00pm.

Reporting to: Catering Team Leaders

Work location: On event campsites, under open marquees

IS IT RIGHT FOR YOU?

- Are you able to follow directions from your team leaders?
- Are you an early riser? (or can you be for a week?)
- Do you have great customer service skills?
- Are you comfortable lifting items less than 10kg?
