

# GREAT VIC BIKE RIDE

## Catering – Early Breakfast Team

- Are you a morning person, happy to be up before the sun?
- Do you enjoy setting up and packing down a great working space?

### THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community and becoming part of the team while exploring the beautiful Victorian countryside.

### WHAT YOU'LL GET UP TO

As part of the early breakfast component of the catering team you will very literally be up before the sun each day – this role isn't for night owls! You'll be setting up for and serving breakfast to other volunteers who need to get out to support the riders before they start and then to the riders throughout the rest of the morning. You'll also be back in the afternoon to help with the set up and pack down of the dinner service. So, while you do get time off you do have a few shifts throughout the day.

On a daily basis you will be:

- Setting up the breakfast service
- Serving breakfast to riders and volunteers
- Maintaining a clear and hygienic service area
- Setting up the afternoon service and packing vehicles at the end of dinner
- Lugging boxes between front and back of house (optional)
