

UNITED ENERGY **AROUND THE BAY**

FRANKSTON REST AREA TEAM

- Are you willing to get things ready to see the riders enjoying your efforts?
- Keen to interact with riders and put your customer skills to good use?
- Want to be a rider's best friend providing much needed water, snacks and encouragement?

THE BIG PICTURE

United Energy Around the Bay is our iconic Melbourne event that inspires riders of different abilities to take on their next challenge. By volunteering on United Energy Around the Bay you will be not only helping others to achieve their personal goals but supporting the two charities; Bicycle Network and the Smith Family. It's a great day to be a part of!

WHAT YOU'LL GET UP TO:

Helping out in the rest area will involve setting up and packing down the site and ensuring riders are having a fun and safe time while they are there. You will be located at a specific rest area where riders can get water, some snacks and food; some stops will have entertainment as well! We'd love our team to bring the cheer and make the site as festive, fun and welcoming as possible. Setting up and packing down sites may require some heavy lifting and be prepared to spend much of your time on your feet so be sure to bring suitable and comfortable footwear.
