

UNITED ENERGY AROUND THE BAY

ROUTE MARSHAL TEAM

- Do you want to get out on the route and revel in the excitement of a mass-participation cycling event?
- Are you an enthusiastic people person, with great service skills?
- Can you bring the festive atmosphere and help create fun to the route?

THE BIG PICTURE

United Energy Around the Bay is our iconic Melbourne event that inspires riders of different abilities to take on their next challenge. By volunteering on United Energy Around the Bay you will be not only helping others to achieve their personal goals but supporting the two charities; Bicycle Network and the Smith Family. It's a great day to be a part of!

WHAT YOU'LL GET UP TO:

As part of the Route Marshal Team you are integral to ensuring riders are going the right way while having a good time! Assigned a point on the route, you will be directing and encouraging riders, and providing information to any members of the public who might wonder what's going on. You might provide assistance to those riders who may be struggling and notifying the team leader of any issue on the course. As the face of the United Energy Around the Bay, a smile and an enthusiastic approach goes a long way in this role to help bring the fun element to this event and a shot of encouragement to riders as they pass!

You'll be supported by a Team Leader on the day who will be available to answer any questions you have. They'll make sure you know what to do, where to stand, and ensure you have both water and lunch and get a break. The number for Event Assistance will be on your event lanyard who you can call at any time for information to help answer questions from riders or the public.

FINER DETAILS

Event Dates: Sunday 7th October
