THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community to help pull off an extraordinary event, all while exploring the beautiful Victorian countryside.

WHAT YOU'LL GET UP TO

As part of the Eco team your role will be to make sure each campsite is left in a better condition than when the Great Vic arrived. You will provide appropriate facilities and education to make it easy for the Great Vic community to keep the campsites clean and green.

On a daily basis you will be:

- Distributing bins around the campsites
- Monitoring bins and emptying when necessary
- Educating riders on the importance of disposing of rubbish correctly
- Picking up litter and recyclables (with protection equipment)
- Packing up equipment for transport to the next site
- Collecting tent pegs and lost property
