

GREAT VIC BIKE RIDE

Happy Helpers Team

- Do you want to have a positive impact on event participants experience?
- Are you able to think on your feet and work within a team?
- Are you a talented problem solver who loves helping people?

THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community to help pull off an extraordinary event, all while exploring the beautiful Victorian countryside.

WHAT YOU'LL GET UP TO

As part of the Happy Helpers team you'll be the main information source for the Great Vic community. Volunteering either in the information hub or roaming around the site, your role is to ensure riders are informed about what's happening and where things are on event. You and the team run lost property, process sales and answer any general enquiries. It helps if you have some initiative and can foresee people's questions, seeking out answers and sharing knowledge with your team. The team also plays a big role in welcoming and registering riders on their first days.

On a daily basis you will be:

- Directing riders to event facilities
- Keeping information boards up to date with campsite maps and local information
- Answering questions, problem solving and assisting riders
- Reuniting riders with lost property
- Assisting with coordination of luggage and unloading of SAG bikes
- Processing sales of merchandise and event payments
- Spruiking activities and services on the site
- Setting up and packing down the Hub each day
