

GREAT VIC BIKE RIDE

Motorcycle Marshal

Route Marshal Team

- Do you want to get out on the route and have the Victorian country roads as your workplace?
- Are you a talented communicator who can provide information on the fly to help create a safe and fun environment?

THE BIG PICTURE

Bicycle Network is a not-for-profit out to solve the problem of physical inactivity: two-thirds of Australian's don't get enough exercise. So, we're on a mission to make bike riding easier for everyone. The Great Victorian Bike Ride is a fun, friendly and challenging camping holiday where people can enjoy time on the bike with likeminded people. For volunteers, it's the opportunity to spend a week in another world, joining our canvas community to help pull off an extraordinary event, all while exploring the beautiful Victorian countryside.

WHAT YOU'LL GET UP TO

As part of the motorcycle marshal team you will be the eyes and ears out on route. You will be monitoring and stopping at strategic positions along the route to be ready to assist any rider or route marshal. You will be assigned to different roles each day such as assisting with escorts, following the tail rider or monitoring a specific point. You will also be responsible for ensuring the riders and marshals out on route are looked after. On a daily basis you will be:

- Directing riders along the route
- Alerting riders to hazards on the route
- Marshalling certain points to assist Riding Marshal Team
- Clearing obstacles on the route that you may come across
- Working with the broader on-route team including marshals, WARBY's & Bicycle Network staff
- Maintaining regular contact with Event Assistance & your Team Leader
- Attending nightly briefings

FINER DETAILS

Dates: Saturday 27 November – Sunday 5 December 2021

Reporting to: Route Marshal Team Leader

Work location: Outside on the rider route, all day and in all weather conditions

IS IT RIGHT FOR YOU?

- Do you have a valid motorcycle license and motorcycle? (preferably two wheeled)
- Do you have a current First Aid Level 2 Certificate? (preferable but not required)
- Are you able to follow directions from the Team Leader?
- Are you a strong communicator?
- Are you familiar with Victorian Road Rules and how they relate to cyclists?
- Are you adaptable and open to changes?
- Traffic management experience is an advantage but not essential.
