

## Call for nominations to the Bicycle Network Incorporated Board

Collectively, the Board of Bicycle Network Incorporated has two high level responsibilities:

### ***Insight and foresight***

The Board ensures that Bicycle Network is equipped to respond to the changing circumstances and situations in the external and internal environments in order to achieve its mission to promote the health of the community through the prevention and control of disease by more people cycling more often.

### ***Oversight***

The Board is the ultimate authority in Bicycle Network and each member of the Board is responsible for Bicycle Network's controls. These responsibilities are substantial and include law, regulations and internal controls as well as organisational liability and risk management.

## 2021 nominations

### ***Candidates***

The Board seeks nomination of candidates for election with demonstrated skills and relevant experience to these responsibilities.

Under our [Constitution](#), there are two positions vacant that are required to be filled.

### ***How to Nominate***
